Counselling Support

Supporting You on Your Journey with the Disability Royal Commission

The Disability Royal Commission is looking at ways to prevent people with disability from experiencing violence, abuse, neglect and exploitation.

Yorgum provides free counselling services to support Aboriginal and Torres Strait Islander people with disability who are affected by the Disability Royal Commission.

If you decide to tell your story to the Disability Royal Commission and want to yarn with someone throughout the process, Yorgum can provide counselling (yarning) support to you and your family.

For counselling support, contact Yorgum on **1800 469 371**.

For free and independent legal support, contact Your Story Disability Legal Support on **1800 771 800**.

You can also contact the National Counselling and Referral Service for free counselling support or to be connected to free and independent advocacy support. Call them on **1800 421 468**.
